## Bates Carpet & Furniture

Bates Carpet and Furniture offers customers a wide variety of carpets, flooring, furniture and mattresses in an easy and convenient location on the Beverly Five-lane.

# Business offers more than just carpets

Bates Carpet & Furniture offers customers a large selection of not only carpets, but other forms of flooring — as well as furniture and mattresses at affordable pricing.

The knowledgeable and experienced team at Bates Carpet & Furniture will help customers in selecting the perfect flooring, carpeting or furniture for their home.

Located at 1307 on U.S. 219/250 South on the Beverly Five-lane, Bates Carpet & Furniture offers hundreds of carpets and floorings to choose from.

"We are one of the largest in-stock dealers in the state of West Virginia," said Danny Wiseman, co-owner of Bates Carpet & Furniture. Wiseman said Bates constantly stocks anywhere from 500 to 600 rolls of carpet and 50 to 70 rolls of linoleum to ensure timely and cost-effective home installation.

The Bates home installers provide free home estimates for any form of carpeting or flooring; the team strives to complete home installation only one to two weeks after flooring selection has been made.

"We can do the whole house or we can do one room," Wiseman said.

Instead of choosing to contract out home installation, Bates home installers are paid employers to ensure accountability and high-quality installations.

Whether customers are looking for carpet, hardwood, vinyl, laminate or LVT flooring, Bates offers it all at affordable pricing. Sean Phares, co-owner of Bates Carpet & Furniture, explained that LVT is a floating vinyl product that is easy to install for a do-it yourself home owner, and it is extremely durable and water resistant.

Although Bates Carpet & Furniture has become known for the carpeting and flooring it provides, customers also should consider the local business when shopping for affordable, high-quality furniture.

"We carry good quality furniture at very reasonable prices," Phares said.

"We have lift chairs. We have regular recliners. We have power recliners and heat and massage recliners," Wiseman said.

On any given day, customers can find a variety of recliners and sofas in all shapes, colors and sizes. Bates also offers name-brand, quality mattresses such as Springwall and Dutchcraft, as well as bed frames and bedding to fit any size bed.

Wiseman said, "Most stores charge anywhere from $40 to $60, but I charge $15 for delivery, setup and disposal."

Bates Carpet & Furniture is offering a promotional deal to all customers who purchases carpet or flooring. Any customer who purchases flooring is able to receive $50 off the purchase of any furniture item at more than $399 or receive $100 off the purchase of any furniture item listed at more than $899.

Bates offers its customers free layaway as well as same-as-cash, interest-free financing for six to 12 months.

"If you can walk on it, sit on it, sleep on it, we have it," said Bates sales associate Chris Heflin.

To gain more information about the variety of carpet, flooring and furniture that Bates Carpet & Furniture has to offer, anyone interested can contact the business at 1-800-924-6862 or 304-636-6862, or check out the products online at thenewbates.com.
