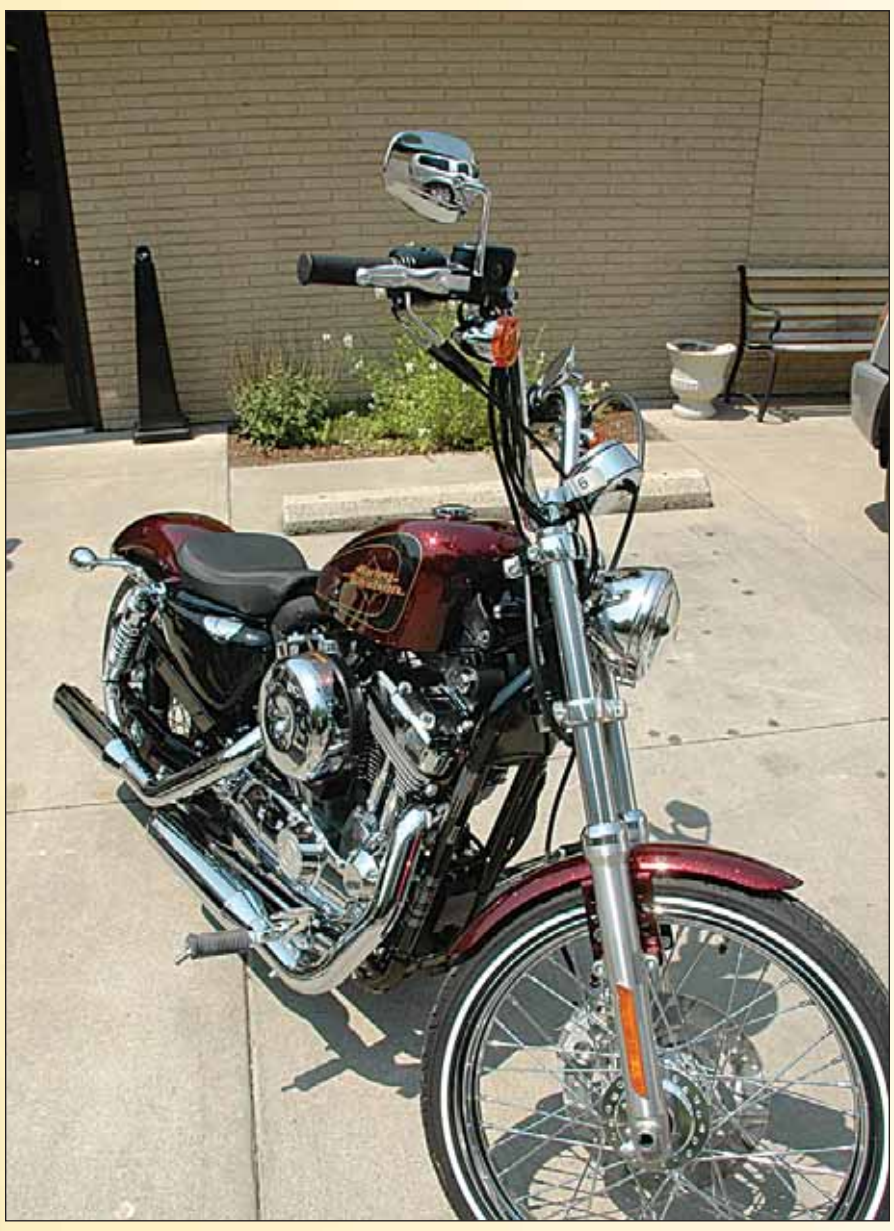
B&B Harley Davidson

Family business features variety



The Harley Davidson Sportster 72 is new for 2012.

B&B Harley Davidson carries a full line of accessories, and there are two full-time mechanics on staff to service your ride. Service appointments are available Monday through Friday. For more information, call 304-623-0484.

If there's no better feeling than having the sun on your face and the wind in your hair as you travel West Virginia's open roads, then a stop at B&B Harley Davidson in Nutter Fort may be just the thing you need to satisfy that urge.

Located on Route 98 across from the Medwood Plaza, just up from McDonald's, B&B Harley Davidson has been serving motorcycle riders in central West Virginia since 1977. Owner Dolores Terango said now is the best time to find that motorcycle of your dreams, and the showroom features a variety of Harley Davidsons.

The store is open from 9 a.m. to 5:30 p.m. Monday through Friday and 9 a.m. to 4 p.m. Saturday. B&B Harley Davidson features all varieties of Softails, Sportsters, Touring models and Dynas. The store also features the Tri-Glides, a three-wheel Harley that is just perfect for the older rider or for those who have trouble balancing the traditional two-wheeled Harley. Terango said the Tri-Glides are perfect for those riders having back or leg troubles, but who are not quite ready to park their motorcycles.

New in 2012 is the Harley Davidson Sportster 72, along with the Softail Slim. The Softail Slim rides low to the ground, featuring a seat that sets less than 2 feet from the ground.

Terango said the 2013 Harley Davidson models will be arriving in the showroom in August.

After picking up that new ride, step over into the expanded showroom to find that special Harley Davidson T-shirt, jacket or souvenir. A full line of Harley Davidson items to show off that passion for the Hogs is in stock, including highly popular collectibles.

Terango said the company runs promotions throughout the year, and those interested in picking up unique Harley Davidson merchandise should check periodically at B&B.

B&B Harley Davidson accepts major credit cards and your personal check. Financing is available through Harley Davidson. With the purchase of a new motorcycle, you are automatically registered in the national Harley Owners Group. For a few bucks more, you can join the local HOG chapter, a group that often sets up its own rides through the more scenic parts of this region. The local HOG chapter meets monthly to plan rides and host picnics, and it even throws special parties on the holidays.

That same purchase also makes available a Harley Davidson safe-riding course. These classes are offered at various times throughout the year, and those who successfully complete the course easily can obtain their motorcycle rider's license from the Department of Motor Vehicles.

B&B Harley Davidson carries a full line of accessories, and there are two full-time mechanics on staff to service your ride. Service appointments are available Monday through Friday. For more information, call 304-623-0484.
