The Inter-Mountain presents its semi-annual BUSINESS SHOWCASE

Crites Electric

Crites Electric is located at 50 S. Kanawha St., in Buckhannon. The business offers electrical services; new wiring and rewiring; a showroom featuring retail and wholesale parts; installation of light fixtures; and additional services.

Company has served area since 1979

Crites Electric Inc., located at 50 S. Kanawha St., in Buckhannon, has been serving the community's electrical service needs and flourishing since 1979.

Rusty Crites opened his business from his home in 1979 and expanded to a retail/wholesale location in 1987.

In an effort to meet the needs of customers at any time, Crites Electric has licensed and certified electricians to make sure your job is done right the first time.

The business offers electrical services; new wiring and rewiring; a showroom featuring retail and wholesale parts; installation of light fixtures; and additional services.

As another popular component of the business, Crites offers home standby generator installation and maintenance. Cites Electric is the place find your Generac Guardian Series generator.

Amanda Everson, office manager, said as a Generac Elite dealer, Crites Electric is able to offer top-notch service for a top-notch product. The business has installed more than 500 generators in the area for satisfied customers.

"We can install and service the Generac generators," Everson said.

Crites Electric Inc. keeps most Generac automatic standby generator models in stock. In typical applications, many can be installed in as little as four hours. Crites Electric employees who install generators have been factory trained and are certified technicians. The business stocks Generac parts and maintenance kits, ensuring that every customer's installation goes as quickly and smoothly as possible.

Crites Electric also offers home standby generator installation and maintenance. The business has installed more than 500 generators in the area for a range of satisfied customers.

Generac recommends that the automatic standby power systems be installed by an authorized Generac dealer.

When you work with Crites Electric Inc., you can rest assured that all local, state and national electrical codes will be followed, as will national plumbing codes in making all fuel connections. The result will be a safe, reliable installation you can count on when the power goes out.

If you are in need of electrical supplies for a home project or you are a contractor, Crites Electric has a wide range of products available for purchase including wire and accessories; light fixtures, lamps, plumbing and heating supplies; tools; conduit and fittings; and much more.

Brands include Square D, Murray, Cutler Hammer, Midwest, GE, Allen Bradley, A.O. Smith, Baldor and Feit, among others.

For more information, stop by the showroom or visit Crites Electric online at www.criteselectric.com, check the business out on Facebook or call 304-472-0148.
