presents its semi-annual

BUSINESS SHOWCASE

Elkins Sewing Center

Offering customers endless inspiration

When creativity is the key for your project, visit Elkins Sewing Center. From the beautiful displays in its large windows on Davis Avenue and Third Street to the many finished pieces arranged inside the store, the Elkins Sewing Center offers endless inspiration for its customers.

What truly distinguishes Elkins Sewing Center is the friendly and helpful customer support provided by its staff. For 30 years, owner Sue Pifer and her staff have used their passion and know-how to assist a wide range of dedicated customers with all levels of projects. Fabrics, patterns, trims and all the components that go into a finished project, as well as sewing machines for every budget, level of interest and skill range are available at Elkins Sewing Center.

The store is proud to be a Premier Husqvarna Viking Sewing Machine dealer and it carries everything from basic to the most so-

phisticated machines. Computer software related to sewing machines also is carried in the store. Additionally, while custom sewing is not offered, referrals to dressmakers can be made, and assistance in the selection of patterns and fabrics for special garments is available.

Classes on many different topics and techniques also are frequently offered by staff and guests, such as nationally renowned local quilter and instructor Fran Kordek. This week, a children's sewing camp for youth ages 8 and older is being held. The classes are posted on the Sewing Center's website, www.elkinssewingcenter.com, and announced in an email newsletter.

The center also offers free studio hours on most Fridays. During these, visitors can use the Sewing Center's equipment and classroom to work on their own projects and, if

they desire, receive help from the staff, free of charge.

The Elkins Sewing Center also is available for special events and programs, like scout projects, organization meetings and baby showers. Reservations should be made well in advance.

The Elkins Sewing Center has always supported local organizations like United Way, local schools and the Forest Festival. Soon, the center's 25th annual United Way Quilt will be on display, so come down and check it out.

The store is located on the corner of Third Street and Davis Avenue and it is open Mondays through Saturdays, 9 a.m. to 5 p.m., except on Fridays, on which it remains open until 7 p.m.

For more information, call the Elkins Sewing Center at 636-9480 or visit their website at www.elkinssewingcenter.com.

The Elkins Sewing Center offers customers a myriad of fabrics, patterns, trims and all necessary components to complete any project. Left, the Elkins Sewing Center's friendly and helpful staff offer classes on a variety of topics and techniques. Classes offered are listed on the Center's website, www.elkinssewingcenter.com.
